The Queen of Excelsior

This 70 foot yacht has been designed and built to offer your guests the ultimate in luxury cruising, fine cuisine and entertainment.

FACTS ABOUT THE QE

- The Lido deck (lower) is a totally enclosed, air-conditioned or heated with lots of large windows for sightseeing enjoyment. It includes a dance floor, full bar and two rest rooms. This deck also has an open bow area with bench seating for 15 persons.
- The Sun deck (upper), completely remodeled in 2009, comes with a full granite top bar, slatted white oak ceiling, varigated faux wicker chairs, new plush carpet and a fully remodeled restroom. In inclement weather, this deck has the capacity to become totally enclosed for your comfort.
- Seating capacity is 130 for sit-down dinners. Passenger capacity is 150.
- Speaker system - For your special needs, we have a speaker system with cordless microphone.
- Gourmet catering - Our menu offers light appetizers to full course plated dinners. Our chef can plan any custom menu. All dinners are served on china. Tables are dressed with linen tablecloths and napkins.
- Entertainment - The QE features a complete sound system with dual CD players, a computerized audio library and a fully illuminated glass dance floor.

Catering and entertainment costs are based on your individual plans. All catering is provided by the Queen of Excelsior.
